

# GLoCALL VIRTUAL

## Globalization and Localization in Computer-Assisted Language Learning

# CONFERENCE 2021

**16-18 December 2021** Jointly organized by PacCALL and HELP University, Kuala Lumpur, Malaysia

### PLENARY AND INVITED SPEAKERS

Every GLoCALL conference features plenary presentations and workshops by internationally renowned CALL experts. This year the invited speakers are:

#### LOCAL PLENARY SPEAKERS

#### PROFESSOR DR WONG SU LUAN

**Plenary Presentation Title:**  
**ICT in Malaysian Education: Trends and Challenges**

Dr Wong Su Luan is a Professor at the Faculty of Educational Studies, Universiti Putra Malaysia (UPM). She has extensive teaching experience in educational technology, teacher education and teaching methods. She regularly conducts teaching and learning related training courses for educators.

#### ASSOC. PROFESSOR DR PRAMELA KRISH

**Plenary Presentation Title:**  
**Social Media and the Innovations in research: Opportunities and Challenges**

Dr Pramela Krish is an Associate Professor at the Centre for Research in Language and Linguistics, Faculty of Social Sciences and Humanities, Universiti Kebangsaan Malaysia. She specialises in Applied Linguistics and has researched and published works on online language learning, mobile learning and teacher professional development. Dr Pramela is on Editorial Board of 3L Southeast Asian Journal of English Language and CALL-EJ.

#### INTERNATIONAL PLENARY SPEAKERS

#### PROFESSOR DR DEBORAH HEALEY

**Plenary Presentation Title:**  
**Growing up Digital: Intelligent Use of Technology**

**Pre-conference Workshop Title:**  
**Digital Storytelling**

Dr Deborah Healey was the 2019-2020 President of TESOL's Board of Directors. She has taught teacher training courses online for the University of Oregon's American English Institute and face-to-face in the Master's in Language Teaching programme in the Linguistics Department.

#### ASSOC. PROFESSOR DR MARK PEGRUM

**Plenary Presentation Title:**  
**Going Global, Going Local, Going Mobile**

**Pre-conference Workshop Title:**  
**Framing MALL Activities**

Associate Professor Mark Pegrum is a Lecturer in Digital Learning in the Graduate School of Education at The University of Western Australia in Perth, where he is also the Deputy Head of School (International). In his courses, he specialises in digital technologies in education, with a particular focus on mobile learning.

#### PROFESSOR GORDON BATESON

**Plenary Presentation Title:**  
**Testing 4-skills online: What is Possible?**

**Pre-conference Workshop Title:**  
**Creating a 4-skills online assessment tool using the Moodle LMS**

Gordon Bateson is Professor at Kochi University of Technology in Japan. His research interests include developing Moodle plugins to support extensive reading, writing and speaking. He has a degree in Software Engineering from Imperial College, London and an MSc in Teaching English for Specific Purposes (TESP) from Aston University, Birmingham, UK.

## ABOUT GLOCALL 2021

GLoCALL 2021 is an international academic conference focusing on the use of computers for language learning. GLoCALL conferences have been held annually since 2007 in various countries in the Asia Pacific region. This year the conference is jointly organised by PacCALL and HELP university.
